UNIFORM REGULATIONS MANUAL
SERIES 2021

Office of the Commandant

HEADQUARTERS PHILIPPINE COAST GUARD

139 25th Street, Port Area

1018 Manila

Our uniform is our identity.

Hence, it is very much timely for the Philippine Coast Guard to issue and publish this first ever PCG Uniform Regulations Manual to prescribe, regulate and standardize the various uniforms used in our line of work. This Manual holds a vital role in strengthening the identity and character of the PCG, associated with the steadfast and reliable services expected from all the PCG personnel. It will guide us on how we should present ourselves to the world and how we should we wear and carry our uniforms. It is our hope that with the wearing of these uniforms, our personnel shall convey a sense of purpose to serve beyond the call of duty.

I enjoin all PCG personnel to learn and strictly observe the standards set forth in this Manual. Let us all keep in mind that the proper wearing of our uniforms is not only part of our duties but also an honor given only to our personnel. Needless to say, we must always wear our uniforms with pride and dignity as we serve the nation and achieve our organization's endeavor of providing outstanding service to the Filipino people.

Kudos at Mabuaay ang Tanod Baybayin ng Pilipinas! May God Bless us all always.

LEOPOLDO V LAROYA
CG ADM
Commandant
